

STERNER INSURANCE

Personal customer service is the top priority at Sterner Insurance. We specialize in providing insurance programs with professional guidance for individuals and businesses of any size. Our firm offers a full line of insurance products, including executive benefits and business planning for virtually all areas of a client's financial needs. Clients of Sterner Insurance receive the most recent and relevant industry information as well as the most thorough advice and recommendations. Why? Because Sterner Insurance's staff of licensed, experienced agents is in direct, automated contact with many of the nation's premier insurance companies. We know that each client is unique and requires individual attention. At Sterner Insurance our own success is measured by our clients' sense of security.

Protecting Your Future™

EMPLOYEE BENEFITS

Sterner Insurance offers employee benefits and financial services. We will bring the same level of concern and consideration to your plan structure whether you employ 2 or 2000. We will review your current benefit plans and make recommendations for improvements and cost control.

The Insurance Alliance of Central Pennsylvania is a group of premier independent agencies located in the Lehigh Valley and Central regions of Pennsylvania. Our mission is to bring clients within the region the absolute best insurance and services available. Through size, diversity and broad expertise, The Alliance offers services on a regional level, which are normally found with national brokers. Our long-term growth and profitability has enabled The Alliance to secure preferred relationships with the region's and nation's top insurance companies. With over 200 employees, our greater resources provide the sophistication to serve any size client. Our areas of expertise are commercial and personal insurance, group benefits and financial services.
